Dear Parents:

Emanuel Lutheran Preschool has a Facebook Page and Class Dojo. I would like to take a minute to explain the differences.

Facebook is public, everyone that is friends with Emanuel and friends of friends can see the facebook page.

Class Dojo is PRIVATE. You, as parents, are asked to join by the teacher. ONLY those that are invited can see the posts and pictures. ONLY the teachers can post pictures of the class. All parents are to respect the privacy of others by not reposting on their own social media photographs of other children. Also, no last names are ever used.

There are several parents that opted out of Emanuel's "Publicity Release" and we understand your concerns with Facebook and other public forums.

At this time, I would like to know, if the parents that opted out of "Publicity Release" would consider signing off on their child's picture being posted on Class Dojo? As a parent I am sure that you would love to see what your child is doing during the day and have asked yourself.....Are they having fun? Are they learning anything? Class Dojo helps with those questions. Without your approval, NO pictures of your child will be posted on Class Dojo.

Please do not hesitate to contact me if you have any questions or concerns.

Kindly sign the below permission slip and return if you would like to be part of Emanuel's Class Dojo.

---

I give permission for my child's picture to be posted on Emanuel Lutheran's Class Dojo Page for the year 2019-2020. I understand that Class Dojo is only for invited parents and I agree to respect the privacy of others by not reposting photographs from Class Dojo on my own social media.
